

Telos VSet

VX Hybrid phone sets

Headsets compatible with the optional headset connector on the Telos VSet-line of phone sets.

Plantronics EncorePro HW291

Monaural headset P/N 78712-01

<http://www.plantronics.com/us/product/encorepro?skuId=sku5200023>

Proven combination. Works well. Volume and clarity seem spot-on.

Plantronics A10-16

Direct Connect Cable P/N 66268-02

<http://www.plantronics.com/us/product/a10-16-cable>

Another proven combination. Works well. Volume and clarity seem spot-on.

VXi UC ProSet 10V DC

<http://www.vxicorp.com/products/contact-center-and-office-solutions/corded/vxi-uc-proset/>

with this cord: QD 1026V <http://www.vxicorp.com/products/contact-center-and-office-solutions/direct-connect-cords/#cid142>

This headset feels nice and sounds good.
