

## Definitions

For purposes of this Limited Warranty (this “**Warranty**”), the terms in parentheses below shall have the meanings given them:

“**Act of God**” means any cause beyond the reasonable control of Telos, including acts of God, fires, floods, electrical surges, and lightning.

“**Hardware**” means all tangible audio equipment, circuit boards, and components manufactured or assembled by or on behalf of Telos.

“**Products**” means all Hardware and Software sold by or on behalf of Telos, or by any of its authorized distributors.

“**Receipt Date**” means the date that the end-user receives the Product or Service in question or if sooner, 90 days from the date the relevant Product is shipped to such end-user.

“**Services**” means all installation, configuration, and repair services provided by Telos.

“**Software**” means all application and systems software, and application programming interfaces, designed or developed by or on behalf of Telos, without regard to whether such Software is sold in a stand-alone format or installed on in Hardware.

“**Telos**” means TLS Corp., an Ohio corporation doing business under the brand names Telos Alliance, Telos Systems, Omnia Audio, Axia Audio, Linear Acoustic, Minnetonka Audio Systems, and 25-Seven, among others.

“**Warranty Period**” of a particular Product or Service means the period beginning on its Receipt Date and ending (i) for Software Products and Services, 90 days thereafter, and (ii) for Hardware Products, two (2) years thereafter.

## Warranty

This Warranty covers and is the exclusive remedy available from Telos for any defect in Telos’ Products and Services. Each Product and Service is warranted for its Warranty Period to be free from defects in material and workmanship and to perform in conformity with (and subject to end-user’s compliance with) the applicable Quotation. Telos will repair or replace (at its sole discretion) a defective Product returned to Telos within its Warranty Period and correct defective Services whose defect is brought to Telos’ attention within their Warranty Period, all subject to the provisions and limitations set forth in this Warranty. If it is not economically justifiable to repair or replace the warranted Product, Telos also reserves the right to offer a replacement product of comparable performance and condition directly to the customer at a discounted price, accepting the failed warranted Product as a trade-in.

## Warranty Limitations

As with all sensitive electronic equipment, to help prevent damage and or loss of data, we strongly recommend the use of an uninterruptible power supply with all of our Products. Telos products (including the Products) are to be used with registered protective interface devices which satisfy regulatory requirements in their country of use.

This Warranty will be void as to any Product or Service that: (i) has been subjected, directly or indirectly, to any Act of God, (ii) has been improperly installed or misused, including (without limitation) the failure to use telephone and power line surge protection devices; (iii) has been damaged by misuse, accident or neglect; (iv) was purchased or otherwise obtained through sales channels not authorized by Telos; or (v) is owned by any person who has materially breached or allowed another to cause the material breach of, the terms of the end-user license agreement, terms and conditions of use, or other use agreement governing the end user's right to use such Product or Service.

EXCEPT AS EXPRESSLY STATED ABOVE, TELOS MAKES NO WARRANTIES, EXPRESS OR IMPLIED (INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE) AS TO THE PERFORMANCE OF THE PRODUCTS AND SERVICES.

IN NO EVENT WILL TELOS, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, OWNERS, CONSULTANTS OR ADVISORS (ITS "**AFFILIATES**"), OR AUTHORIZED DEALERS OR THEIR RESPECTIVE AFFILIATES, BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, OR FOR LOSS, DAMAGE, OR EXPENSE DIRECTLY OR INDIRECTLY ARISING FROM THE USE OF ANY PRODUCT OR RECEIPT OF ANY SERVICES, OR THE INABILITY TO USE ANY PRODUCT EITHER SEPARATELY OR IN COMBINATION WITH OTHER EQUIPMENT OR MATERIALS, OR FROM ANY OTHER CAUSE.

## Submitting a Claim

Telos must receive a warranty claim within the Warranty Period, and Telos must authorize warranty coverage. Contact may be made by email at [support@telosalliance.com](mailto:support@telosalliance.com) or telephone at (+1) 216-241-7225.

## Shipping Costs and Warranty Service

If Telos authorizes the performance of warranty service for a Product, the defective Product must be delivered to Telos at 1241 Superior Avenue, Cleveland, Ohio 44114 or such other repair center as Telos may specify at the time of claim.

Suppose the date the customer's notice of warranty claim is actually received by Telos (such date the "**Warranty Claim Notice Date**") is within the first 90 days of such Product's Warranty Period. In that case, Telos will pay the costs of shipping (and bear risk of loss of) such Product to and from the end user's location, and the cost of repair or replacement of such warranted Product.

Suppose the Warranty Claim Notice Date occurs after the first 90 days of such Product's Warranty Period and before the end of such Warranty Period. In that case, the customer will pay the freight to return such Product to Telos. Telos will then, in its sole discretion, repair or replace the warranted Product and return it to the end-user at Telos' expense.

The end-user will, in all cases, be responsible for all duties and taxes associated with the shipment, return, and servicing of the warranted Product.

No distributor, dealer, or reseller of Telos products is authorized under any circumstances to extend, expand or otherwise modify in any way the warranty provided by Telos, and any attempt to do so is null and void and shall not be effective as against Telos or its affiliates.
